

## Under Armour® Project Rock True Wireless – Engineered by JBL®

Truly wireless sport headphones to maximize each and every workout, with JBL technology and sound

PROJECT **ROCK** COLLECTION

### Wireless freedom built for the grind.

UA Project Rock True Wireless offers a truly cord-free experience built for the grind. UA Storm waterproof technology and Antibacterial Sport Flex Fit ear tips were crafted specifically for all-condition training while the JBL Charged Sound was boldly optimized and tuned with rich bass for motivation. Hear your surroundings with Bionic Hearing featuring TalkThru Technology for quick conversations with just one touch, and AmbientAware Technology to hear your surroundings for increased safety. With a total of 25 hours battery life and a rugged aluminum charging case, these headphones truly break the limits.

- ▶ UA Storm waterproof, high-performance design
- ▶ Bionic Hearing
- ▶ JBL Charged Sound
- ▶ 25 Hours of total battery life
- ▶ Bluetooth® wireless
- ▶ Antibacterial Sport Flex Fit ear tips
- ▶ Aluminum charging case

## Under Armour® Project Rock True Wireless – Engineered by JBL®

Truly wireless sport headphones to maximize each and every workout, with JBL technology and sound

### Features and Benefits

#### Truly wireless built for the grind

Compact and cable-free for zero distractions.

#### UA Storm waterproof, high-performance design

IPX7 Sweat & Waterproof technology that works just as hard as you do.

#### Bionic Hearing

With just one touch, Bionic Hearing allows you to hear your surroundings with two sound technologies. With TalkThru Technology, music is lowered and speech is amplified for quick conversations between sets. AmbientAware delivers a more immersive music experience with increased ambient sound for safety outdoors.

#### JBL Charged Sound

Bold sound tuned for sport with rich bass built for the grind.

#### 25 Hours of total battery life

5 Hours of playtime + 20 additional hours in rugged aluminum case for charging on-the-go.

#### Bluetooth® wireless

Compact and cable free for zero distractions.

#### Antibacterial Sport Flex Fit ear tips

Winged ear tips that are easy to use for maximum security.

#### Aluminum charging case

Sleek aluminum sliding design is built to endure, charging your headphones quickly and safely.
